Dear Board Members,

As a former Cecil Field aviator, I am writing this letter of support for your organization's efforts to protect, preserve, and enhance the existing POW/MIA Memorial Park at former NAS Cecil Field. Renovating the Chapel's sanctuary, Hero's Walk, and Freedom Trees are necessary to ensure these service members, along with the history of Cecil Field are NEVER FORGOTTEN. Further, a POW/MIA Memorial Center would also ensure the stories of these brave service members are told and passed along to be an inspiration for future generations.

I attended a number of memorials there through the years, including the one for Scott Speicher. I believe it is sacred ground. I wholeheartedly support the efforts of the Cecil Field POW/MIA Memorial organization to preserve the rich history that of Naval Aviation at NAS Cecil Field.

Sincerely,

Bob "BB" Buehn
